Eric,

I think that should work. Carl?

Also, I have on my calendar a Portland Harbor Managers meeting for Thursday morning at 9:00. I am assuming we are still on for this meeting, with the main topic being establishment of path forward to resolve Round 2 comments. Jim.

Subject: January 16, 2008 Technical Team Meeting

Jim, as we discussed yesterday, I would like to use the set aside time on January 16th to discuss the fate and transport data gaps. Carl has been asking for a meeting. I think I offered up this time to him previously but have not heard back. I notified our team of the meeting time last week.

Can we confirm this?

Thanks, Eric
